

Self-Employment Certification

TO: Granite State Management & Resources (GSM&R)

This form is being provided in lieu of actual income documentation for qualifying for an Economic Hardship Deferment (deferment application either included with this form or already provided to GSM&R).

I, the undersigned, am newly self-employed and do not have acceptable documentation for income for this year as described in the Economic Hardship Deferment form. Below I have stated my monthly gross income and projected yearly gross income as a self-certifying statement of current year income.

Monthly Gross Income: _____

Projected Yearly Gross Income: _____

I understand that this self-certifying statement of income can only be used once and that when applying for additional time under the Economic Hardship Deferment, I will need acceptable income documentation submitted with the deferment application.
