

GRANITE STATE MANAGEMENT & RESOURCES

***** Important Tax Information – Response Required *****

This form complies with recent IRS regulation changes regarding the reporting of Tax Deductible Interest for qualified student loans. We will be unable to report the interest paid on your student loans unless we have received a certification from you that the proceeds were used solely to pay for qualified higher education expenses. Qualified higher education expenses are the costs of attending an eligible educational institution, on at least a half-time basis. These costs include tuition, fees, room and board, books, equipment, and other necessary expenses, such as transportation.

Please sign the certification below and return this form to Granite State Management & Resources P.O. Box 2097 Concord NH 03302-2097 or Fax the certification to us at 603-227-5401. If we do not receive your signed certification, interest for these loans will not be reported on Form 1098-E (Student Loan Interest Statement) for this year or any in the future, therefore the interest may not be deductible on your taxes.

If you have any questions on your loan(s) eligibility, please contact us at 1-800-719-0708. Our Customer Service Representatives are available to answer your questions.

I certify that all of the loan proceeds are solely to pay for qualified higher education expenses.
